EXPERIENCE

Wickes — *Customer Assistant*

November 2017 - PRESENT

British Telecommunications — *Work Experience*

4 July 2016 - 8 July 2016

Experienced all the departments within BT such as, Finance, Research and Engineering. I participated in many activities that covered new material for example, Big Data, Connected Cities, security and customer experience centre. It gave me a great understanding of the telecom and IT industry..

Salesforce — *Work Experience*

28 February 2019 - 1 February 2019

EDUCATION

Suffolk New College — *BTEC Diploma*

September 2017 - 2019

BTEC Level 3 Extended Diploma Business

University of West London — *BSc Degree*

September 2019 - Present

My degree BSc Information Technology Management for Business is accredited by employers as meeting Tech Industry Gold standards for quality, relevance to employment, and its balance of technical, business, project and interpersonal skills.
